THINKING OF JOINING A COMMUNITY GROUP?

Community groups are a good way to grow in your Christian faith and to get to know people.

Groups vary in character and meet at various times and locations: daytime and evening, meeting either weekly or fortnightly.

Most groups do not meet regularly in August, but If you would like some more information, or want to join a community group from September, please see Val Fane, or email val@fan.es.uk.

OCTAGON COFFEE SHOP

Help is needed on an occasional basis at the Octagon Coffee Shop when team members are away.

Coffee Shop is held every Thursday morning at the Octagon starting with prayers and Bible reflection at 10.15.

The ministry includes food preparation and serving as well as welcome, active listening and mingling with guests. This summer help is particularly needed from 24th August to 5th October to cover team absence. If you feel called to being part of a back up team helping support the regular team at Coffee Shop from time to time then please contact Geraldine Foster.

OFFERTORY - As we no longer use collecting bags, would you please place your offertory on the plate by the entrance on the way in (or out). For tax-efficient giving, tax payers please use a named gift envelope. Thank you.

A celebration of the work of The Well Counselling service

**AUGUST 20th 6.30pm
GREAT MALVERN PRIORY**

A service of meditation, music, prayer, silence, a witness to suffering, courage and healing through the work of counselling. The community of volunteers, counsellors and support staff, warmly invite you to hear something of the work of the Well Counselling agency, generously supported by Churches Together in Malvern. We have a wonderful story to tell of growth, effective service and healing. Please share with us as we try to bear witness to the suffering, courage and healing of our many clients, to pray for them and ourselves and offer ourselves to be useful to the God who is always there for us.

"I come to four closed doors in my heart - inertia, denial, rage and loss. I believe on the other side of these doors are our brightest fire, the choice to be fully awake and alive." D. Markova

POSITIVE PARENTING SESSIONS

We are organising a series of 6 Positive Parenting, Primary Years sessions to start on Monday 30th October at St. Andrew's. But to allow as many parents/carers as possible to access them, we are looking to have a crèche available. So if you feel you could help out on a Monday morning for 6 weeks in October and have relevant childcare experience/qualifications, please contact Ness as soon as possible so that we can let parents know if a crèche will be available. Thank you.

TODDLERS AND TUMS TO TOTS

We have a fantastic team of helpers at both these groups, but in September we will be running short of help and without this support it will be difficult to have the time within the sessions to come alongside parents. Sitting and listening, chatting, sharing, making people feel welcome and showing God's love and grace through our actions is at the heart of what we do every week. Therefore, if you feel you can spare a couple of hours a week or every two weeks and have a heart and a calling to work with families, please contact Ness.
