GET TO GIVE!

Thank you for all your responses both financially and in your offers of 'gifts and talents'. The blue forms are currently being followed up and we will be using these in the coming months to have conversations, set up new teams & provide a database of helpers. We are really encouraged at the financial returns too and thank you for all who have given so generously.

Please do be praying for the PCCs and leaders in the coming weeks as we discern the new staffing roles God is calling us to advertise for. We will probably be looking to advertise in the Autumn.
